Re.: Invitation to all WFEO Member Organizations for WEW 2010

Dear Secretary,

As you know as member of WFEO, the World Congress and Exhibition: **ENGINEERING 2010 - ARGENTINA: "Technology, Innovation and Production for the Sustainable Development"** (**WFEO World Engineers' Week**) will be held next October 17 - 20, 2010, in Buenos Aires, Argentina, thus committing the presence of world engineering in the celebration events of the Bicentennial of the Revolution of May 25, 1810, which began the independence process in our country.

The Argentine Federation of Associations of Engineers (UADI) and the Argentine Center of Engineers (CAI) together with representative institutions of engineering and of productive activities of Argentina, are organizing this World Congress and Exhibition, declared of interest by the National Government and indorsed by the sponsorship and cooperation of international organizations such as UNESCO, UPADI (Pan-American Union of Engineering Associations) and ISTIC (UNESCO International Centre for South-South Cooperation on Science, Technology and Innovation with headquarters in Malaysia).

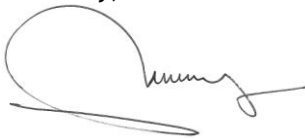

The main objectives of this call to engineers and businessmen from all over the world, are to update and discuss technological and engineering advances, to spread their achievements and, besides remembering the Argentine Bicentennial, to promote, internationally and particularly in Latin America and Argentina, the mobilization of engineering and productive sectors of construction, industry and services.

The Central Executive Committee, the body in charge of WEW organization, is honored to invite you to participate in ENGINEERING 2010 - ARGENTINA from 17-20 October.

If you are interested in participating, we would appreciate if you could fill up the attached Attendance Form and return it by e-mail at your earliest convenience. If you need more detailed information, please find attached an executive summary or, visit our website ([ingenieria2010.com.ar](http://ingenieria2010.com.ar)).

We look forward to receiving you in Buenos Aires in October 2010, thanking you in advance for your presence and active participation.

Sincerely,

Engineer Mario Telichevsky  
Central Executive Committee
